Definition of gross premium income: This report is based on gross premium income, which includes direct and reinsurance inward premiums received in the year, net of cancellations but before deduction of commissions or reinsurance premiums ceded.

Portfolio split includes four main lines of business:

- Motor: Two main lines: Third Party and Comprehensive (in some cases, the classes under Motor were not available).
- Property & Miscellaneous Accident: Fire, Engineering, General Accident, Personal Accident, Workmen's Compensation, Medical, Public Liability, etc.
- Marine & Aviation: Aviation, Marine Cargo, Marine Hull and Inland Cargo.
- Life: Individual Life and Group Life.

Insurance and economic data sources: Insurance data for each country is sourced primarily from supervisory authorities, insurance associations and individual companies. Key economic data is extracted from public sources, including reports and documents from the World Bank. Premiums are converted into US dollars using official IMF exchange rates as of 31st December of respective year.
