

Publication Name: Middle East Insurance Review
Frequency: Monthly
Language: English
Date/Month: Feb 2014 Pgs. 31

“Regulatory authorities in the GCC are taking serious measures to regulate the insurance market. They have demonstrated a commitment to international best practice. However, a constant review of insurance rules and regulations is crucial if the region is to keep pace with the rapid changes and progress taking place in other parts of the world.”

– **Mr Yassir Albaharna, Arig**
